And you, my child, will be called a prophet of the Most High; for you will go on before the Lord to prepare the way for him, to give his people the knowledge of salvation through the forgiveness of their sins, because of the tender mercy of our God, by which the rising sun will come to us from heaven to shine on those living in darkness and in the shadow of death, to guide our feet into the path of peace. Luke 1:76–79, NIV

Lord our God, we thank you that you let light shine out every day and every year. Thank you that we may always look to you, whose right hand will bring order into everything and set all things right, even in difficult times. May our hearts receive strength to persevere and go on praising you, for you remain, no matter what happens on earth. You are our God, you have sent us the Savior, and we can draw close to you. You have made us the firm promise that your day is coming when truth and justice will arise on earth to the glory of your name. May the hearts of many people turn to you so that they worship you and call to you for help, to the glory of our Savior Jesus Christ. Amen.

12 November 2019

Dear Fellow lay Servant,

Your Lay Servant Team will be meeting 16 December in Ottawa. We will be reviewing your annual reports and one-on-ones with your pastor. These reports should be in the District Office no later than 10 December. Please check to make sure that your ONE-ON-ONES have been completed and sent to the District Office. This will prevent us from having to call you.

We would also like to hear from you. We had 5 very successful training opportunities in October and want to hear your suggestions for future training opportunities. In March we will be offering Methodist History (a core course) and Theology of our Hymns (an advanced course). In April we will be offering Lay Servants Lead in Prayer (a core course) and hopefully a course in Grief.

Thank you for your support throughout the year.

Blessings on your journey.

Laity Discernment Retreats

Do you feel God's call on your life but are uncertain how to discern that call or what to do next? If so, then this is the Retreat for you! At the Laity Discernment Retreats, we will talk about call, discernment and what it means to be "called by our baptism". We will learn ways to intentionally enter into a time of prayer about discernment and we will discover Spiritual Rhythms that can help guide our journey. We will also discuss the variety of ways Laity can serve both in our churches and in our communities.

Each retreat kicks off with an 8-hour Saturday session followed by a 3-hour session approximately six weeks later. In between the two sessions, there will opportunities to read, reflect, and practice Spiritual Rhythms that will lead you to a better understanding of your own call.

Note: You are welcome to attend any session in any location and you do not need to attend both sessions in the same region. However, you need to attend the all-day Saturday retreat prior to attending the 3-hour follow up session.

The events are online and ready for registration. You can find them here: https://www.westohioumc.org/conference/laity-discernment-retreats You can also navigate to Ministries/Discipleship/Laity Discernment Retreats.

Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

(Update) BY GEORGE! Campaign (Update)

Earlier this spring, we invited the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. Now that we are several months into this, we want to share an update of where we are. To date, we have received just over $30,000 to go to the hospital! We are so thankful for your generosity and faithfulness!

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart. Watch for more information to come!

"Check Your Tech: Your Wireless Microphones May Be Non-Compliant In 2020"

Technology is often an area that many churches have struggled to stay up-to-date. Your sound system may be a hodgepodge of equipment gathered over several decades and seemingly held together by paperclips, electrical tape and prayer. A recent decision may affect the technology that your church currently utilizes.

In April 2017, the FCC held an auction in which they sold and repurposed the 614-698 MHz range, a band spectrum that had previously been used for some wireless microphones. On July 13, 2020 (or earlier under specific circumstances) wireless microphones utilizing this frequency range may be subject to a fine. For churches, this means that your wireless microphone system may need to be replaced in order to be compliant.

Your first step should be checking your wireless microphone system to determine which frequency band it is functioning on. This information is available in the user manual or, if you have lost it, wireless microphones will have a label on both the receiver (the box with antennas) and transmitter (the actual microphone or belt pack) that indicates the frequency or frequency range used. It is often a silver stick-er with the power, serial number, etc. On transmitters, it may be inside where the batteries are stored. Non-compliant devices will fall between 617-652 MHz and 663-698 MHz. Note that the 698-806 MHz range has also been non-compliant for several years and may also be subject to a fine.

If you find that your device is not compliant, you can check with the manufacturer, as they may offer some type of rebate toward the purchase of a new, compliant, device. I would urge you not to "risk it" as it is quite simple to find non-compliant devices by scanning the frequency range from a vehicle on the street and led to many fines in 2010 when the 700 MHz range was repurposed.

If you would like more information, the FCC has an extremely thorough explanation of compliant and non-compliant wireless microphone devices located at https://www.fcc.gov/wireless/bureau-divisions/mobility-division/wireless-microphones. Please don't hesitate to contact Pastor Justin McCall, Montpelier First UMC, by emailing umcmontpelierfirst@gmail.com if you need assistance evaluating your existing wireless technology or have other questions. Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries. Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19) There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
