“Game Changers: Leading in Anxious Times”
Keynote Presentation
And Breakout Session #1
“The Missional Church”
Led by Rev. Sue Nilsson Kibbey

Keynote Message:
No matter what is happening in or around the life of a congregation, leaders who long to unleash “holy momentum” in and through their church must grasp and deploy a few core essentials that make all the difference. Be inspired and equipped to take home new perspective and practical steps that God can use right in your own setting now.

Breakout #1
According to learnings from West Ohio Conference’s MCCI (Missional Church Consultation Initiative), one key shift of approach can move your church from wondering why visitors to your outreach events, worship, or service projects don’t return — to creating “sticky” relational connection that helps your church become inviting for newcomers to connect into again and again. Learn this new practical strategy in order to take what your church is already doing to the next level — and to help you shape your future new outreach efforts to more effectively reach new persons for Christ.

Rev. Sue Nilsson Kibbey is the West Ohio Conference Director of the Office of Missional Church Development.

February 23rd Training Day Schedule
8:30 – Gathering
9:00 – Welcome and Keynote Message
10:00 – Break (refreshments provided)
10:15 – Breakout Sessions
12:30 – End

Come and join us for a day of leadership training that has relevance for your church and ministry and will have lasting results in your local congregation. All pastors and lay are welcome.

Choosing to Invest in one of these strategic areas will help your church more fully live out our mission to make disciples of Jesus Christ for the transformation of the world!

Breakout #2
“Discovering God’s Vision For Your Church”
Led by NWP District Superintendent
Rev. Barry Burns

We all remember the days when our churches were filled on Sunday mornings, and were the center of the community life. But as life has become more complicated and fewer people are attending church. It is important that we find a way to discover once again what God is calling us to be, and our purpose as a church. This class will help us with a process of discovering God’s vision for your congregation and ways to think strategically about how to go about mating that vision. It is no longer enough to do things just because we have always done them that way. We have to center all of our efforts around our mission and vision in order to fully engage our communities and make disciples.

Breakout #3
“A.L.I.C.E. Training & Church Safety
Led by Officer Damion Tibbs and David White of Church Mutual Ins.

Officer Tibbs, 15-year veteran with the Allen County Sheriff’s Office will be sharing pertinent information of the A.L.I.C.E. program (Alert, Lockdown, Inform, Counter, Evacuate) as it would pertain to our churches in order for people to respond effectively in the crises event of an active shooter. Additionally, David White, Senior Risk Control Consultant with Church Mutual will share Security Basics For Your Facility. He will cover exterior and interior security as well as policy/procedure development for your church, often a neglected issue until an Incident occurs. Fortunately, a little preparation goes a long way and applies directly to church congregations and their facilities.

Breakout #4
“Financial ABC’s for Your Church”
Led by Rev. Bruce & Kim Tubbin

In this breakout session we will discuss best practices for audits, budgets, compensation and beyond. Among the themes we will discuss are administration, stewardship, budget development, connectional giving, internal controls and audits. The material we will be using was developed by Bill Browning – the CFO and Director of Administration for the West Ohio Conference of the United Methodist Church. The presenters will be Rev. Bruce Tubbin, pastor of the Elida Immanuel Church and a member of the NWP Leadership Team and Kim Tubbin, NWP District Financial Secretary.

Breakout #5
“Opiate Addiction and Recovery 101”
Led by Rev. Mark Hollinger

Ohio is among the top five states with the highest rates of opioid-related overdose deaths, killing significantly more people in Ohio than auto accident fatalities. Our families, churches and communities are affected and challenged by this escalating epidemic. This session will provide information with regards to how this epidemic developed, the signs of addiction, what sort of programs are available to people and families seeking recovery. What churches can do to locally assist people and their families facing the challenge of addiction and what individuals can do to help those seeking recovery. Pastor Mark Hollinger is a recovering addict and has real-life knowledge of the personal challenges of recovery and has a passion for people, families, churches and communities seeking information to help in the recovery process.

Breakout #6
“Why Youth Ministries are Failing (and what you can do about it)”
Led by Rev. Dave Charles

New to youth ministry and excited about the possibilities to grow your ministry? A seasoned youth worker who is in the trenches and seeing church’s ministry on the decline? Perhaps you even feel defeated or you just don’t know where to start. In this break-out session we will look at three main issues facing youth ministry and its decline, then we will walk through the steps to begin building (or rebuilding) your ministry that focuses on growing disciples, partnering with parents, and helping your congregation see the value of youth ministry in the larger context of the church. Rev. Dave Charles has 25 years of youth ministry experience and is a Licensed Local pastor serving as the Associate Pastor at St. Mark’s UMC in Findlay.

Breakout #7
“All In Community
Led by Rob Collins, AIC Consultant

Join your NWP All In Community team for a workshop that provides guidance and direction for navigating the complex intersection of addiction and incarceration. Explore how you can create safe spaces of hope and healing in the midst of these slow burning crises affecting so many of our friends, neighbors, loved ones and communities. Learn how for one what you wish you could do for everyone is the key to recovery and redemption for all.”

Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

For more information on the Light the Way Campaign contact: Rev. George Cooper/gcooper@wocumc.org, Rev. Stanley Ling/sling@wocumc.org, Rev. Sue Nilson Kibbey/snkibbey@wocumc.org, Mr. Brad Aycock/bradaycock@wocumc.org

BY GEORGE! Campaign

This spring, we are inviting the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. So, we are inviting you to be part of a special campaign.

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. There will be much more information coming in the form of videos, pamphlets, etc. But we invite you now to begin praying about your congregation being a part of this effort. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart.

Watch for more information to come!

Summer Impact 2019

Are you a youth group, women’s group, men’s group, young adult group, or an otherwise eclectically congregating group of individuals with a desire to serve and give back this summer?

Your group is invited to come and serve for a week (Sunday - Friday) alongside ministries in Cincinnati participating in building projects, day camps, delivering furniture, communing with those who are experiencing homelessness and sickness, and more.

The heart behind Summer Impact is transformation through serving experiences, meaningful interactions, and individual/group reflection time in order to see the work that God is already doing and calling us to partner in that Kingdom work. The hope is that teams will return home with a renewed energy and sense of where God is leading them to serve throughout the year.

To find out more information about what your week will look like, cost ($190/person if registered by the end of 2018), and to register please visit: http://hydeparkchurch.org/summer-impact/

The program, titled “What Would You Do for Love? One Guy’s Outrageous, Risk-It-All Adventure to Get the Girl,” includes a film featuring Ryan Leak, whose girlfriend, Amanda Roman, once said she wanted to get engaged and married on the same day. So Ryan secretly invited 100 of their friends and family to fly to Miami to witness their wedding - before he’d proposed.

The only flight into Miami that was delayed was Amanda’s flight. “She had no idea she was getting married the next day,” said Ryan who struggled to stay calm while keeping his secret.

Admission to the 60-minute event is free. Lifetree Café is located at the Bachwell Center, 116 N. Washington Street, Van Wert, OH. Please enter on Court Street and park behind the Courthouse.

Lifetree Café is a place where people gather for conversation about life and faith in a casual, comfortable setting. Questions about Lifetree may be directed to First United Methodist Church at 419/238-0631 or firstchurch@wcoil.com

Why Belong to The Preachers’ Relief Society?

Most members of The Preachers’ Relief Society give two answers:

So that The Preachers’ Relief Society can provide help for them and their families if it is needed, and

So that The Preachers’ Relief Society can continue to provide help for their clergy colleagues.

Your membership in The Preachers’ Relief Society makes possible this support for West Ohio clergy and their families.

The Preachers’ Relief Society

The Preachers’ Relief Society is a voluntary, non-profit benevolent organization of clergy and their families in the West Ohio Conference of The United Methodist Church. It is an affiliated organization of the conference.

Begun in 1837, PRS predates pensions and medical insurance in the conference and the denomination. Ministers in the former Cincinnati Conference of the Methodist Episcopal Church decided that an organization such as The Preachers’ Relief Society would help “tired, worn-out preachers and their families.”

Almost two centuries later, the phrasing is quaint but the purpose is the same: to bring relief where it is needed. While clergy and their families now participate in pension plans and health care coverage, both sometimes fall short, and The Preachers’ Relief Society stands ready to help its members in situations such as when:

- High deductible medical insurance policies leave a gap before full coverage
- Vision or dental plans require prepayments
- Births or deaths bring extraordinary expenses
- A fire, storm, flood or other natural disaster requires immediate response

On application from a member, The Preachers’ Relief Society may make a grant for these or other needs. The grants are made outright; they are not loans and no strings are attached.

Grants are not for fixed or specific amounts, and they are not guaranteed, but are based entirely upon the needs of members, and so are not IRS taxable.

Every appointed clergy in the West Ohio Conference (Elders, Deacons, provisional elders or deacon track), associate members, licensed local pastors, clergy from other conferences/denominations appointed in West Ohio, and clergy from other denominations appointed in West Ohio is eligible for membership in The Preachers’ Relief Society, subject to age limit and conference membership requirements.

Membership is voluntary, not mandatory. Payment of annual dues and continuing conference membership guarantees eligibility for grants. Life memberships are also available.

Membership rates:

Application and one year $25
Renewal for one year $25
*Lifetime ages 25-40 $300
*Lifetime ages 41-59 $200
*Lifetime ages 60 and above $100

(*To become a lifetime member, a person must have been a member of the Society for at least one full year)

The Preachers’ Relief Society of the West Ohio Conference of The United Methodist Church is a registered 501(c)(3) organization. Contributions from congregations, groups, and individuals to its Capital Fund for permanent endowment are tax-deductible as permitted by law. An annual meeting of The Preachers’ Relief Society is held during the West Ohio Annual Conference session each year.

Who we are
Ada First UMC is a growing and forward thinking congregation. We worship, on average, 150 people on a Sunday morning, with about 30 of those being children and 15 being youth. We are located in a college town (Ohio Northern University). Our members and regular attenders are diverse in background, age, and socioeconomic status (including a number of university faculty, staff, and students). Affordable housing, family friendly neighborhoods and strong partnerships between the community, university, and church are a strong draw to Ada. We pride ourselves on being an intergenerational congregation with recent growth among young families, children and youth. In 2012, our building caught fire and burned. After several years of rebuilding, the current building was completed and paid in full. This church family has overcome many obstacles and is now seeking to continue Christ’s work by reaching into our community, building relationships, meeting needs, and empowering individuals and families to live out their call to be disciples of Jesus for the transformation of the world.

Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries.

Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19)

There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
