Northwest Plains Leadership Training Day  
February 8, 2020  
Ottawa Trinity United Methodist Church

8:30 a.m.: Gathering and refreshments  
9:00: Welcome and Worship  
First Break-Out Session: 9:30-10:45  
First Break-Out options:

1 – Capital Campaigns/Endowments led by Bruce Boyd  
A topic that is a challenge to talk about in church, but is so important, is how are we preparing our church for the future through Planned giving, endowments, and capital campaigns. Bruce Boyd is an active leader in our West Ohio Conference and a member of the WOC Council on Development. He comes with a wealth of knowledge to help answer questions such as: How does a local church establish an endowment? How do we talk too people about planned giving through estates and other methods? How can this impact our ministry far into the future?

2 – All in Community HOPE Letters – Led by Rev. Amelia Boomershine and Mr. James Clay:: 9:30-Noon  
“Let me tell you how valuable a letter is.” Join All In Community’s HOPE Letters and experience the profound, transformative impact your words can have on people in prison who feel forgotten by the world, and perhaps, by God. The good news is, everyone can write letters or sign cards. HOPE Letters is the perfect outreach ministry for any church of any size in any location that is wanting to be Matthew 25 Kingdom-builders. This training provides you everything you need to start a HOPE Letters group that will nurture, from a distance, neighbors hoping to find a caring group of disciples who will welcome them when they return home. This easy outreach ministry is already making a big difference in many people’s lives. 

NOTE: This 2 ½-hour training encompasses both morning sessions at the NWP District Leadership Day.

3 – Children/Family Ministries in the small church setting led by Matt Overman  
Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” But how do we reach out to children and their families and offer them help, hope and Jesus? Join together with others who reach out to children and families as we discuss and learn about ways to let the children come. In this session we will focus on ways that smaller churches can disciple, equip and reach out in fun, effective, and efficient ways. The session will also include an overview of safe sanctuaries.

4 – Mental Health and Wellness/Suicide Prevention led by Ottawa Pathways Counseling  
The annual report from the Ohio Department of Health finds that five people die by suicide every day in Ohio, one young Ohioan dies by suicide every 33 hours, and the rate of suicide has risen by 56% among people 10 to 24 in the past 11 years. “Suicide is the leading cause of death among Ohioans ages 10-14 and the second leading cause of death among Ohioans ages 15-34”, said Dr. Amy Acton, the department's director, in releasing the report. Have you ever been approached by someone who is contemplating suicide? If you have not, chances are you will at some point. Do you know what signs to look for? What do you do, how do you help the person? How do you help the family dealing with suicide? What are your resources? These are some of the questions that will be answered in this session.

5 – SPRC and Church Administration Best Practices led by DS Barry Burns and Administrative Assistant Lesley Moore  
The focus of this session will be to provide churches and administrative leaders ideas and tools for effectively leading (S)PPR teams and the administrative ministry of our congregations.

6 – Worship in the large church setting led by Tesa Mallory  
Why do you do what you do in worship? How does your church make decisions about what happens on Sunday mornings? Are decisions based on what you’ve always done or based on another church’s worship order? How do you craft worship experiences that guide people into God’s presence? This practical workshop will help you think about the different movements of worship and how to use worship order invite your congregation into a transformational encounter with God in the power of the Holy Spirit.

7 – Navigating Aging led by Otterbein Chaplain Peter Citerin  
Chaplain Peter Citerin is the chaplain at Otterbein Homes in Cridersville. He will be leading this class that will focus on how we can help members of our churches and communities navigate the aging process and the medical system that can be so confusing. These needs might impact us in our own families, or they might open up the door for new kinds of ministries to our communities.

8 – Church Finance/Clergy Benefits  
The focus of this session is to provide information for churches, church treasurers and financial secretaries on clergy compensation and benefits, year-end W-2’s, workers compensation, and to answer your questions on finances.
Break: 10:45-11:00
Second Break-Out Session: 11:00-12:15
Second Break-Out options:

9 – Effective Leadership Boards led by Dwight Bowers
Effective Church Boards don’t just “run the church.” They focus on Ministry and how to best accomplish their mission. Focus in this workshop will be upon Disciplinary requirements and “best practices” for leadership in the local church with special attention to the role and responsibilities of the Leadership Board. It will be a practical experience aimed at establishing goals for the congregation, creating structure that supports the church’s mission, and developing and empowering ministry area leaders to accomplish that mission. We will necessarily, then, look at frequent Board practices that hinder or support the accomplishment of local church mission.

10 – Children/Family Ministries in the large church setting led by Matt Overman
Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” But how do we reach out to children and their families and offer them help, hope and Jesus? Join together with others who reach out to children and families as we discuss and learn about ways to let the children come. In this session we will focus on ways that medium and larger churches can disciple, equip and reach out in fun, effective, and efficient ways. The session will also include an overview of safe sanctuaries.

11 – Mental Health and Wellness/Suicide Prevention led by Ottawa Pathways Counseling
The annual report from the Ohio Department of Health finds that five people die by suicide every day in Ohio, one young Ohioan dies by suicide every 33 hours, and the rate of suicide has risen by 56% among people 10 to 24 in the past 11 years. “Suicide is the leading cause of death among Ohioans ages 10-14 and the second leading cause of death among Ohioans ages 15-34”, said Dr. Amy Acton, the department's director, in releasing the report. What do you do, how do you help the person? How do you help the family dealing with suicide? What are your resources? These are some of the questions that will be answered in this session.

12 – Mission Insight led by Barry Burns (must register ahead of time)
Do you know who your community really is or are you remembering it as it once was? We are called to fully engage our community, but to do that we need to have a realistic understanding of who our neighbors really are. This session will work with demographic information to help your church to strategically reach the people in your community for Christ. People taking this session will need to pre-register in order to receive the Mission Insight report for your congregation. We will then together look at what this information means for our congregations.

13 – Worship in the small church setting led by Tesia Mallory
Why do you do what you do in worship? How do your church make decisions about what happens on Sunday mornings? Are decisions based on what you’ve always done or based on another church’s worship order? How do you craft worship experiences that guide people into God’s presence? This practical workshop will help you think about the different movements of worship and how to use worship order invite your congregation into a transformational encounter with God in the power of the Holy Spirit.

SIGN-UP DEADLINE: February 5, 2020
So in Christ Jesus you are all children of God through faith, for all of you who were baptized into Christ have clothed yourselves with Christ. Galatians 3:26-27, NIV

Dear Father in heaven, we may come to you, for you have counted us as your children. Our hearts long to come to you, our God and Savior. May your Word bless us and restore us. Give us courageous hearts to bear the distress of our times. Let a light arise in our days so that people care about your will. Then the need on earth shall come to an end, your name shall be honored, and your will be done. Lord God, you alone are our help. Be merciful to us. Stretch out your hand so that all people may turn to you and to your commandments, and your will may be done on earth. Amen.

It's W-2 Time!

2019 W-2s are due to all employees by January 31, 2020. Information to help with preparing IRS Form W-2 for clergy, which can be complicated, can be found on the Conference website. Use the worksheet and example here as a guide for preparing your pastor's W-2. This sample spreadsheet and W-2 is just that, a sample. Your fact set may include more or fewer items to report (for example, moving expenses which are now taxable if paid or reimbursed are not in the sample).

Highlights for 2019 W-2's include:

- Moving expenses paid by churches directly to moving companies or via reimbursement to clergy are taxable and must be reported as income (see the moving expense section of IRS instructions completing W-2's here).
- If your pastor received health insurance through the Conference Plan (Aetna) they received a contribution to their HSA account that should be reported. Clergy on single plans received $500 in January and July 2018 for a total of $1,000. Clergy on Family-2 or Family-3 plans received $1,000 in January and July for a total of $2,000. If two churches share in the cost of health insurance, adjust accordingly.
- All full time clergy and some 3/4 time clergy receive a $50,000 death benefit through a conference plan. This is in addition to $50,000 available through the denominational plan (CPP). The cost of group life insurance over $50,000 is taxable. The imputed income can be calculated based on the table in IRS Publication 15-B.
- Note: If your pastor is not on the Conference health insurance plan and your church has not established its own qualified plan, direct payments to clergy to offset the cost of health insurance (for example on a spouse or other employer plan) are taxable income.

The resources referenced here and on the conference website should answer most of your questions. However, contact your payroll provider, a CPA or tax preparer if you have technical questions.

Thank you to the churches noted above for opening your doors for these gatherings.
The Ohio Chapter of PAUMCS (Professional Administrators of the United Methodist Connectional Structure) was a dream of Bob Storey, Coordinator of Communications for the West Ohio Annual Conference. In 1988 the General Conference approved legislation allowing the General Council on Finance and Administration (GCFA) to sponsor PAUMCS. But Ohio PAUMCS did not become a reality until 1991 when it was established at a gathering at the Green Street United Methodist Church, Piqua, Ohio in October of 1991.

Celebrating over 28 years of service, Ohio PAUMCS is committed to its purpose of recognizing the position of the church administrator as a professional within the church. By providing leadership and educational opportunities around Ohio, the Ohio PAUMCS chapter is linking secretaries, administrative assistants and volunteer staff as an effective support group in local ministry.

The officers and members invite you to use the attached membership application to renew or begin your association with a group of men and women who are committed to serving at the local church. Individual membership is $25.00 and a staff membership is $40.00. Applications are due by February 15, 2020 to Lorri Phille, 53 Towne Commons Way, Apt. 13, Cincinnati, OH 45215-6139. If you have any questions, please email Lorri at office@cliftonumc.com.

Harry Denman Evangelism Award Taking Nominations

The Harry Denman Evangelism Award, sponsored by The Foundation for Evangelism, honors United Methodists in each Annual Conference whose exceptional ministry of evangelism brings people into a life transforming relationship with Jesus Christ. What distinguishes a Harry Denman Evangelism Award recipient is the commitment to consistently introduce others to the Good News of Jesus Christ in all ministry settings. Their ministry is exceptional for the number of new Christ followers who credit encounters with this person as critical in helping to start or reignite their faith journey. Awards are given to clergy, laity, and youth. Visit (https://www.westohioumc.org/conference/harry-denman-evangelism-award) for more information and to download the nomination form. Please submit nominations to mgrace@wocumc.org by March 15, 2020.
**Campaign Vision and Purpose**

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

For more information on the Light the Way Campaign contact: Rev. Stanley Ling/sling@wocumc.org, Rev. Sue Nilson Kibbey/snkibbey@wocumc.org, Mr. Brad Aycock/bradaycock@wocumc.org

Summer Impact 2020

Are you a youth group, women's group, men's group, or young adult group, with a desire to serve and learn?

Your group is invited to come and serve for a week (Sunday - Friday) this summer alongside ministries in Cincinnati participating in building projects, day camps, delivering furniture, communing with those who are experiencing homelessness and sickness, and more.

Registration is open to choose from 6 weeks in June and July and the cost is $230/person.

The heart behind Summer Impact is transformation through serving experiences, meaningful interactions, and individual/group reflection time in order to see the work that God is already doing in Cincinnati and how God is calling us to partner in that Kingdom work. The hope is that teams will return home with a renewed energy and sense of where God is leading them to serve in their own community throughout the year.

Playing on the year 2020 - the next year's theme is: "2020 Vision: Prophets of the Past and Present" and will emphasize God's Kingdom work through generations - including this current one!

To find out more information about what your week will look like and to register your group – please email Rev. Kate Smith (ksmith@hpcumc.org) or visit: http://hydeparkchurch.org/summer-impact/

Theology of Our Hymns

The Faith We Sing! — Thanks to the Wesley brothers and others, Methodists have always been a singing people. As they sought to lead people to know and grow in their Christian faith, it was often their hymns and songs that served as teaching tools to their English friends and neighbors. Even after 200-plus years, we Methodists still claim our roots from a heritage birthed in song. Participants in this class will discover how our discipleship can grow through the songs many of us have grown up learning and loving (and why they still matter!) We’ll also learn the most common sources of their music and why it was so important in reaching unchurched people of their day. All these years later, their hearts and songs live on in us!

**Core Course:** Lay Servants lead in Prayer

Prayer is something we learn; it is something that can be taught. For many, however, the only teaching about prayer they ever receive is modeled in Sunday worship. This course may challenge your assumptions, test some of your preconceived ideas, stretch your thinking, enrich your prayer life, and will help you grow in confidence and skill in prayer, both public and personal.

---

**Advance Course:** Grief Seminar

The course will focus on understanding the descriptions, emotions and behaviors of grief, identifying grief issues, complicated grief and family issues. How to walk with those who grieve after the funeral and how the pastor and church family can give support on the journey. How to help families process last day memories, trauma, changes in family and how to recognize the need for additional grief counseling. Participants will also receive ways to deal with anxiety and stress. Other related grief issues will also be discussed. **Living In The Different**

SPEAKER: KATHY H. MOORE

Kathy Haynes Moore moved to Ohio in 1978
with her husband Roland so that he could attend the
Methodist Theological School in Delaware, Ohio.
Over the 40+ years since that move, she and
her family have lived in every major metropolitan
area of Ohio while serving the Lord Jesus Christ and
the church. During these years, Kathy has completed
the work to be a Lay Servant, a Lay Speaker, and in
2016 she attended the Academy and became a
Certified Lay Minister in the West Ohio Conference of
the United Methodist Church.

One of the major and life-changing events in
Kathy’s life happened in 1999 while living in Toledo,
Ohio. God touched Kathy in a way that changed the
trajectory of her life. She survived a major heart
attack in the largest artery on the front of her
heart known as the widow-maker. This artery now
has six stents and has remained open by the grace
of our almighty and powerful God.

The impact of this miracle caused Kathy to take bold
steps in following God’s leading to organize retreats,
classes, healing services, and prayer warriors.
Kathy’s favorite scripture is found in Psalms 27:14
“Wait on the Lord, be of good courage, and He will
strengthen your heart. Wait, I say, on the Lord.” Her
desire is to always be willing and ready to go
where God sends her.

Kathy and her husband Pastor Roland recently
retired and returned to Toledo. Kathy enjoys
reading, teaching, preaching, and spending time with
family and friends.

MTSO’s Schooler Institute on Preaching: ‘Preaching Mark as Parable’

Preacher, educator and widely published author O. Wesley Allen Jr. will lead the 2020 Schooler Institute on Preaching at Methodist Theological School in Ohio.

The two-day event will be held from 9:30 a.m. to 3 p.m. March 3 and 9:30 a.m. to 2 p.m. March 4 on the MTSO campus, 3081 Columbus Pike in Delaware. Thanks to the generosity of the Schooler Family Foundation, the Schooler Institute is offered to the public without cost, as is lunch both days. Advance registration is required and available at //www.mtso.edu/schooler. One continuing education unit is available for a $25 processing fee.

Allen, the Lois Craddock Perkins Professor of Homiletics at Southern Methodist University’s Perkins School of Theology, has chosen the theme “Preaching Mark as a Parable” for the Schooler Institute.

He argues that the author of the Second Gospel wrote the entire narrative as a parable to challenge and change the way the original audience thought about Christ, the reign of God and their roles as disciples. The first day of Schooler will focus on this reading and techniques for preaching individual Markan passages in light of the parabolic nature of the whole document. On the second day, Allen will present strategies for preaching through Mark cumulatively, especially for (but not limited to) those following the Revised Common Lectionary.

Allen holds a Ph.D. from Emory Graduate School of Arts and Sciences, a Master of Divinity degree from Yale Divinity School and a bachelor’s degree from Birmingham-Southern College. An ordained United Methodist elder, he is past president of the Academy of Homiletics.

Methodist Theological School in Ohio provides theological education and leadership in pursuit of a just, sustainable and generative world. In addition to the Master of Divinity degree, the school offers master’s degrees in social justice, counseling, practical theology and theological studies, along with a Doctor of Ministry degree.

Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries.

Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19)

There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
