The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Psalm 23:1-3, NIV

Dear Father in heaven, we thank you that we need never feel forsaken. We thank you that we are led and guided by your hand. We thank you for all we have received from you, your care for our bodies, for our material needs, and for our inner life. We praise you, O God! Continue to lead us, we pray. Continue to work among us so that we can all see and come to know that the Good Shepherd is leading us. Amen.

It's W-2 Time!

2019 W-2s are due to all employees by January 31, 2020. Information to help with preparing IRS Form W-2 for clergy, which can be complicated, can be found on the Conference website. Use the worksheet and example here as a guide for preparing your pastor's W-2. This sample spreadsheet and W-2 is just that, a sample. Your fact set may include more or fewer items to report (for example, moving expenses which are now taxable if paid or reimbursed are not in the sample).

Highlights for 2019 W-2's include:

- Moving expenses paid by churches directly to moving companies or via reimbursement to clergy are taxable and must be reported as income (see the moving expense section of IRS instructions completing W-2's here).
- If your pastor received health insurance through the Conference Plan (Aetna) they received a contribution to their HSA account that should be reported. Clergy on single plans received $500 in January and July 2018 for a total of $1,000. Clergy on Family-2 or Family-3 plans received $1,000 in January and July for a total of $2,000. If two churches share in the cost of health insurance, adjust accordingly.
- All full time clergy and some 3/4 time clergy receive a $50,000 death benefit through a conference plan. This is in addition to $50,000 available through the denominational plan (CPP). The cost of group life insurance over $50,000 is taxable. The imputed income can be calculated based on the table in IRS Publication 15-B.
- Note: If your pastor is not on the Conference health insurance plan and your church has not established its own qualified plan, direct payments to clergy to offset the cost of health insurance (for example on a spouse or other employer plan) are taxable income.

The resources referenced here and on the conference website should answer most of your questions. However, contact your payroll provider, a CPA or tax preparer if you have technical questions.

Thank you to the churches noted above for opening your doors for these gatherings.
The Ohio Chapter of PAUMCS (Professional Administrators of the United Methodist Connectional Structure) was a dream of Bob Storey, Coordinator of Communications for the West Ohio Annual Conference. In 1988 the General Conference approved legislation allowing the General Council on Finance and Administration (GCFA) to sponsor PAUMCS. But Ohio PAUMCS did not become a reality until 1991 when it was established at a gathering at the Green Street United Methodist Church, Piqua, Ohio in October of 1991.

Celebrating over 28 years of service, Ohio PAUMCS is committed to its purpose of recognizing the position of the church administrator as a professional within the church. By providing leadership and educational opportunities around Ohio, the Ohio PAUMCS chapter is linking secretaries, administrative assistants and volunteer staff as an effective support group in local ministry.

The officers and members invite you to use the attached membership application to renew or begin your association with a group of men and women who are committed to serving at the local church. Individual membership is $25.00 and a staff membership is $40.00. Applications are due by February 15, 2020 to Lorri Phille, 53 Towne Commons Way, Apt. 13, Cincinnati, OH 45215-6139. If you have any questions, please email Lorri at office@cliftonumc.com.

Harry Denman Evangelism Award Taking Nominations

The Harry Denman Evangelism Award, sponsored by The Foundation for Evangelism, honors United Methodists in each Annual Conference whose exceptional ministry of evangelism brings people into a life transforming relationship with Jesus Christ. What distinguishes a Harry Denman Evangelism Award recipient is the commitment to consistently introduce others to the Good News of Jesus Christ in all ministry settings. Their ministry is exceptional for the number of new Christ followers who credit encounters with this person as critical in helping to start or reignite their faith journey. Awards are given to clergy, laity, and youth. Visit (https://www.westohioumc.org/conference/harry-denman-evangelism-award) for more information and to download the nomination form. Please submit nominations to mgrace@wocumc.org by March 15, 2020.
Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

(Update) BY GEORGE! Campaign (Update)

Earlier this spring, we invited the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. Now that we are several months into this, we want to share an update of where we are. To date, we have received just over $30,000 to go to the hospital! We are so thankful for your generosity and faithfulness!

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart. Watch for more information to come!

Lecture explores Noah’s Ark and climate change

The Theological Commons at MTSO welcomes Georgetown University Associate Professor of Jewish Studies Julia Watts Belser for a public lecture, “Reading Noah’s Ark in the Age of Climate Change: Jewish Stories on Gender, Disability, and the Politics of Survival.” The lecture begins at 7 p.m. Feb. 25 in the Alford Centrum on the MTSO campus, 3081 Columbus Pike in Delaware. It is free and open to the public.

Belser’s talk grapples with disability and climate change, reading Jewish traditions about Noah and the biblical flood into conversation with queer feminist ethics, disability studies and environmental justice work. Through the ambivalent portrait of the man and his ark, as well as tales of individuals who survive the flood and those who are left behind, Jewish tradition reckons with questions of human hubris and the politics of survival.

In addition to her teaching position, Belser is a senior research fellow at Georgetown’s Berkley Center for Religion, Peace, and World Affairs. She is the author of two scholarly books, Rabbinic Tales of Destruction: Gender, Sex, and Disability in the Ruins of Jerusalem and Power, Ethics, and Ecology in Jewish Late Antiquity: Rabbinic Responses to Drought and Disaster.

Belser earned her Ph.D. from the University of California-Berkeley, a master’s degree from the Academy for Jewish Religion and a bachelor’s degree from Cornell University. She has held faculty fellowships at Harvard Divinity School and the Katz Center for Advanced Jewish Studies at the University of Pennsylvania. As a rabbi and a long-time advocate for disability and gender justice, she is passionate about bringing feminist, queer and disability culture into conversation with Jewish tradition.

Methodist Theological School in Ohio provides theological education and leadership in pursuit of a just, sustainable and generative world. In addition to the Master of Divinity degree, the school offers master’s degrees in social justice, counseling, practical theology and theological studies, along with a Doctor of Ministry degree.

Summer Impact 2020

Are you a youth group, women's group, men's group, or young adult group, with a desire to serve and learn?

Your group is invited to come and serve for a week (Sunday - Friday) this summer alongside ministries in Cincinnati participating in building projects, day camps, delivering furniture, communing with those who are experiencing homelessness and sickness, and more.

Registration is open to choose from 6 weeks in June and July and the cost is $230/person.

The heart behind Summer Impact is transformation through serving experiences, meaningful interactions, and individual/group reflection time in order to see the work that God is already doing in Cincinnati and how God is calling us to partner in that Kingdom work. The hope is that teams will return home with a renewed energy and sense of where God is leading them to serve in their own community throughout the year.

Playing on the year 2020 - the next year's theme is: "2020 Vision: Prophets of the Past and Present" and will emphasize God's Kingdom work through generations - including this current one!

To find out more information about what your week will look like and to register your group – please email Rev. Kate Smith (ksmith@hpcumc.org) or visit: http://hydeparkchurch.org/summer-impact/

Directed by West Ohio pastor, Rev. Dinner and discussion will follow the worship service. The event, which is free and open to the public, will be held at Perrysburg Grace United Methodist Church, 601 E Boundary St, Perrysburg, OH. Donating Stock to The United Methodist Church helps the church and you

The West Ohio Conference Council on Development office has received several calls recently asking about stock donation. If you are considering a charitable contribution, let us help. Gifting appreciated stock is one of the most effective means of tax savings available.

The benefits of gifting appreciated stock

1. The satisfaction of knowing your money is invested in a cause important to you.
2. Capital gains taxes on the stock are avoided.
3. You will be eligible to receive an income tax charitable deduction for the full fair-market-value of the stock at the time of the gift.

To qualify for these special tax advantages, the security must have been held for at least one year. A gift of stock in certificate form should be postmarked by December 31 or your financial advisor can arrange for a year-end gift of stock from your account.

Your gift of appreciated stock is fully deductible up to 30% of your adjusted gross income. For example, if your adjusted gross income is $100,000, up to $30,000 of long-term appreciated stock and other capital gain property may generally be deducted, although high-income donors may be subject to a partial phase-out of itemized deductions. Any excess can generally be carried forward and deducted over as many as five subsequent years.

How giving away $10,000 in stock can benefit you

Look at the tax savings of donating securities versus a cash gift. The chart below assumes you wish to donate shares of stock worth $10,000 that you purchased for $2,000 several years ago.

West Ohio Conference “Traction Tracks”

….to help your congregation gain traction and begin to move forward towards new vitality!

West Ohio’s Missional Church Consultation Initiative (MCCI), a focused training/coaching/resourcing initiative of the Episcopal office and cabinet that has included several dozen congregations and pastors over the last few years, has identified a number of key components that we’ve seen can provide a congregation of any size and setting with a dose of traction to begin to move ahead in vitality. To learn more about Traction Tracks go to: https://www.westohioumc.org/conference/news/traction-tracks-0

Breakthrough Prayer Initiative Traction Track
Every church recognizes prayer as important. But what happens when a congregation unites to pray collectively and consistently for God to break through in new and miraculous ways? You can launch your congregation into the kind of churchwide breakthrough prayer initiative that fuels the atmosphere of possibility, and the entire focus begins to shift from inward to up-and-outward. It’s easier than you think—and the results will make spiritual history right in your own community and beyond.

SPEAKER: KATHY H. MOORE

Kathy Haynes Moore moved to Ohio in 1978 with her husband Roland so that he could attend the Methodist Theological School in Delaware, Ohio. Over the 40+ years since that move, she and her family have lived in every major metropolitan area of Ohio while serving the Lord Jesus Christ and the church. During these years, Kathy has completed the work to be a Lay Servant, a Lay Speaker, and in 2016 she attended the Academy and became a Certified Lay Ministries in the West Ohio Conference of the United Methodist Church.

One of the major and life-changing events in Kathy's life happened in 1999 while living in Toledo, Ohio. God touched Kathy in a way that changed the trajectory of her life. She survived a major heart attack in the largest artery on the front of her heart known as the widow-maker. This artery now has six stents and has remained open by the grace of our almighty and powerful God.

The impact of this miracle caused Kathy to take bold steps in following God's leading to organize retreats, classes, healing services, and prayer warriors. Kathy's favorite scripture is found in Psalms 27:14 “Wait on the Lord, be of good courage, and He will strengthen your heart. Wait, I say, on the Lord.” Her desire is to always be willing and ready to go where God sends her.

Kathy and her husband Pastor Roland recently retired and returned to Toledo. Kathy enjoys reading, teaching, preaching, and spending time with family and friends.

Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries.

Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19)

There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
