Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we boast in the hope of the glory of God. Romans 5:1–2, NIV

Dear Father in heaven, grant that we may share in the community of your Holy Spirit. In community with you our earthly troubles fall away and we remain in your peace in spite of all our failures and shortcomings, in spite of all the toil we must gladly take upon ourselves. Watch over us. Keep our hearts unshaken, clear, and steady. Keep us in the certainty that your kingdom is coming, is already beginning and can be plainly seen, so that all people can receive the good you have planned for them. Be with us this night. Amen.

Bishop Gregory V. Palmer is appointing the Rev. Calvin Alston Jr. to serve as the Shawnee Valley District superintendent. This appointment is effective July 1, 2019. “Rev. Alston brings to this ministry a tremendous depth of faith in Jesus Christ and the church,” Palmer said. “His life is bathed in prayer. He has an extraordinary ministry tool box born of serving churches of varying sizes, urban and rural and culturally diverse. He has never had a flock he didn’t love with all his heart.”

Alston has served the last seven years as pastor of Christ United Methodist Church, a multicultural and multiracial congregation on the East Side of Columbus. For nine years, he was senior pastor of New Vision Church in Cincinnati. Ordained in the South Carolina Annual Conference, Alston served the North Orangeburg Church and a four-point charge in Ehrhardt, South Carolina.

“The invitation from Bishop Palmer to serve in this capacity is a humbling experience for such a time in my life and ministry,” Alston said. “I am aware that to whom much is given much more is required. I am eternally grateful for this opportunity to serve in this capacity and will rely on the leading Holy Spirit and mentors to direct my path.”

Alston earned a Bachelor of Arts degree in social science with a minor in political science from Claflin University, Orangeburg, South Carolina; a Master of Divinity in Christian education from Gammon Theological Seminary, Atlanta; and a Doctor of Ministry in Christian education from Spirit of Truth Institute, Richmond, Virginia.

A United States Navy veteran, he has served The United Methodist Church on the local, district, annual, jurisdictional and general church levels. In the South Carolina Conference, he chaired the Board of Congregational Development, served as vice chairman of the conference credit union and was treasurer of Black Methodists for Church Renewal. In the West Ohio Conference, he was BMCR vice chairman. Alston is a recipient of the Denman Evangelism Award from the South Carolina Conference. He was a twice-elected General Conference delegate, in 2000 from South Carolina and in 2012 from West Ohio. He served as a cluster leader in the Ohio River Valley District, co-cluster leader in the Capitol Area South District and served on the Episcopacy Committee. He is a member of the Board of Ordained Ministry of the Capital Area South District, The West Ohio Conference Board of Ordained Ministry and serves on the Conference Relations Team.

Born in St. Stephen, South Carolina, Alston was the youngest of eight children born to Calvin Alston Sr. and Rosa Lee Alston. His parents are now deceased. He is married to Sandra Henegan, a clinical audiologist at Columbus Nationwide Children Hospital. They have five children and five grandchildren.

Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

For more information on the Light the Way Campaign contact: Rev. George Cooper/gcooper@wocumc.org, Rev. Stanley Ling/sling@wocumc.org, Rev. Sue Nilson Kibbey/snkibbey@wocumc.org, Mr. Brad Aycock/bradaycock@wocumc.org

BY GEORGE! Campaign

This spring, we are inviting the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. So, we are inviting you to be part of a special campaign.

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. There will be much more information coming in the form of videos, pamphlets, etc. But we invite you now to begin praying about your congregation being a part of this effort. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart.

Watch for more information to come!

Summer Impact 2019

Are you a youth group, women’s group, men’s group, young adult group, or an otherwise eclectically congregating group of individuals with a desire to serve and give back this summer?

Your group is invited to come and serve for a week (Sunday - Friday) alongside ministries in Cincinnati participating in building projects, day camps, delivering furniture, communing with those who are experiencing homelessness and sickness, and more.

The heart behind Summer Impact is transformation through serving experiences, meaningful interactions, and individual/group reflection time in order to see the work that God is already doing and calling us to partner in that Kingdom work. The hope is that teams will return home with a renewed energy and sense of where God is leading them to serve throughout the year.

To find out more information about what your week will look like, cost ($190/person if registered by the end of 2018), and to register please visit: http://hydeparkchurch.org/summer-impact/

Our mission is to create workshops/academies/trainings that develop stronger leadership in town, country, and rural settings, to create more effective proclamation, nurturing, and outreach for the transformation of the world in Jesus’s name. Afternoon: Faithful Lay Ministry

“Faithful Ministry—The people of God, who are the church made visible in the world, must convince the world of the reality of the gospel or leave it unconvinced. There can be no evasion or delegation of this responsibility; the church is either faithful as a witnessing and serving community, or it loses its vitality and its impact on an unbelieving world.”

(¶ 130, 2018 Discipline)

What are all the types of lay ministry?
How can pastors support and encourage the giftedness of the laity?

Why Belong to The Preachers’ Relief Society?

Most members of The Preachers’ Relief Society give two answers:

So that The Preachers’ Relief Society can provide help for them and their families if it is needed, and

So that The Preachers’ Relief Society can continue to provide help for their clergy colleagues.

Your membership in The Preachers’ Relief Society makes possible this support for West Ohio clergy and their families.

The Preachers’ Relief Society

The Preachers’ Relief Society is a voluntary, non-profit benevolent organization of clergy and their families in the West Ohio Conference of The United Methodist Church. It is an affiliated organization of the conference.

Begun in 1837, PRS predates pensions and medical insurance in the conference and the denomination. Ministers in the former Cincinnati Conference of the Methodist Episcopal Church decided that an organization such as The Preachers’ Relief Society would help “tired, worn-out preachers and their families."

Almost two centuries later, the phrasing is quaint but the purpose is the same: to bring relief where it is needed. While clergy and their families now participate in pension plans and health care coverage, both sometimes fall short, and The Preachers’ Relief Society stands ready to help its members in situations such as when:

- High deductible medical insurance policies leave a gap before full coverage
- Vision or dental plans require prepayments
- Births or deaths bring extraordinary expenses
- A fire, storm, flood or other natural disaster requires immediate response

On application from a member, The Preachers’ Relief Society may make a grant for these or other needs. The grants are made outright; they are not loans and no strings are attached.

Grants are not for fixed or specific amounts, and they are not guaranteed, but are based entirely upon the needs of members, and so are not IRS taxable.

Every appointed clergy in the West Ohio Conference (Elders, Deacons, provisional elders or deacon track), associate members, licensed local pastors, clergy from other conferences/denominations appointed in West Ohio, and clergy from other denominations appointed in West Ohio is eligible for membership in The Preachers’ Relief Society, subject to age limit and conference membership requirements.

Membership is voluntary, not mandatory. Payment of annual dues and continuing conference membership guarantees eligibility for grants. Life memberships are also available.

Membership rates:

Application and one year $25
Renewal for one year $25
*Lifetime ages 25-40 $300
*Lifetime ages 41-59 $200
*Lifetime ages 60 and above $100

(*To become a lifetime member, a person must have been a member of the Society for at least one full year)

Who we are
Ada First UMC is a growing and forward thinking congregation. We worship, on average, 150 people on a Sunday morning, with about 30 of those being children and 15 being youth. We are located in a college town (Ohio Northern University). Our members and regular attenders are diverse in background, age, and socioeconomic status (including a number of university faculty, staff, and students). Affordable housing, family friendly neighborhoods and strong partnerships between the community, university, and church are a strong draw to Ada. We pride ourselves on being an intergenerational congregation with recent growth among young families, children and youth. In 2012, our building caught fire and burned. After several years of rebuilding, the current building was completed and paid in full. This church family has overcome many obstacles and is now seeking to continue Christ’s work by reaching into our community, building relationships, meeting needs, and empowering individuals and families to live out their call to be disciples of Jesus for the transformation of the world.

March 30: Creating a Community of Healing, 10am – 2pm
The first half of this training focuses on why experiences with incarceration and victimization are pervasive in our churches and what a faith community’s appropriate response should be. Participants, also, learn how to create a community with healing as its primary focus. The afternoon component offers three focus areas for (1) pastors, (2) congregation members, and (3) people with personal incarceration experience. Regardless of the “position” you are in, God can use you there to reduce the shame, stigma, and silence that are barriers to healing for others and yourself. Participants leave with an action plan for creating a community of healing with people touching the criminal justice system. This is a repeat training from March 9.

Onsite and Online Options. This training will be available in person and online. The live location for this training is at the Ohio River Valley District Office. It will be simulcast to the following remote locations with facilitators: St. Mark's UMC (Lima) in NWP, Whitehall UMC (Columbus) in CAN, and Archbold UMC in Maumee Watershed District. Or you may participate in the online webinar at home. Online participants, also, will have a facilitator to help build community and guide discussion.

Pricing for in-person training is $25 for meals and materials; the webinar cost is $10 for digital materials. Once you register for an in-person training, you will be contacted about which site we can expect to see you at.

April 9: Juvenile Justice Engagement Webinar, 12-1pm Let’s invest in the next generation of citizens. This Webinar will provide an overview of the Department of Youth Services, the current trends in the rehabilitation of youthful offenders, and opportunities for ministry with this population involved in the criminal justice system. Webinar presenters: Department of Youth Services professionals

Free Active Shooter Prevention Guide
Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries. Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19) There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
