Then another angel came and stood at the altar, holding a golden censer; and he was given a great quantity of incense to offer with the prayers of all God’s people upon the golden altar in front of the throne. And from the angel’s hand the smoke of the incense went up before God with the prayers of his people. Revelation 8:3–4, NEB

Lord God, we come before you and ask you to turn our hearts and minds to you alone, to you who have power over the whole world and who can do everything in our hearts according to your will. Let there be light in our time. Hear and answer the many prayers that have already come to you, rising for centuries before your throne, prayers for your kingdom and for your will on earth. This earth has become the prey of evil. We are poor and needy, and you alone can help us. Help us, O Lord, our God and Father. After this misery let your day come, your great day over all the world and over all peoples. Amen.

BRINGING AWARENESS TO CYBERCRIMINALS. RECENT ACTIVITY HERE AT WOC. A MESSAGE FROM OUR IT DEPARTMENT IN COLUMBUS . . .

Colleagues,

This week I am attending an IT Summit which focuses on boardroom discussions about technology issues & solutions. At the forefront are discussions about cyberthreats, sphere phishing, ransomware, and cybercriminals. You should know that Cybercriminals are getting craftier. Often cybercriminals will do their homework about you! For example, cybercriminals will know your job (your title and job role), the names of colleagues (your manager) or possibly know some details about your projects or that your manager is out of town (people post things on social media or newsletters). The goal of the cybercriminal is to trick you into doing something. This might be to send gift cards. This might be to do a wire transfer money. This might be to give them remote access to your computer. More frequently, the cybercriminal wants access to your computer so that they can install a keylogger to steal your passwords, access your camera to watch you and/or your keyboard for keystrokes, or install remote control software so can access your computer when you are way.

You should also know that Cybercriminal activity is on the rise here at WOC.

Just this past week there were two incidents where our WOC colleagues invited cybercriminals to access their computers. For this reason, I want to encourage everyone to be on-guard and to follow these suggestions:

1. NEVER give anyone access or remote access to your WOC computer. Your computer is for your exclusive use and it should only be serviced by an authorized WOC Technician. If you are unsure, check with me first before giving anyone access.

2. NEVER share your password to an unauthorized technician. If need, change your password immediately to prevent unauthorized access.

3. NEVER call the 1-800 number on an Email or flashing window that claims your computer is infected or broken, etc. Please remember that Microsoft will NEVER ask you to contact them. Simple power off your computer and restart. If the problem continues then call me for support.

4. NEVER get tricked with email requests or webpage that stresses URGENT or CRITICAL. Cybercriminals want you to act quickly.

5. ALWAYS be cautious of unusual requests by email, even when it appears to be your manager. Cybercriminals are convincing and hide behind emails.

6. ALWAYS let me know if you were tricked and someone has accessed your computer. If possible, change your password and power-off your computer. ALWAYS be on-guard!!
Have You Attended the Lombard Peace Center “Conflict Mediation Skills” Training Institute?

If so, please let us know!

The West Ohio Conference is forming a “think tank” to consider how elements of this practical, useful training might become helpful and available to our congregations, leaders and clergy—so let’s collaborate with our ideas and suggestions as we discern our way forward. Please email Grace at ggerber@wocumc.org if you’ve already participated in this particular Lombard Peace Center course, and we’ll add you to the “think tank” invitation list.

Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

(Update) BY GEORGE! Campaign (Update)

Earlier this spring, we invited the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. Now that we are several months into this, we want to share an update of where we are. To date, we have received just over $30,000 to go to the hospital! We are so thankful for your generosity and faithfulness!

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart. Watch for more information to come!

CHARGE CONFERENCE TIME

Pastors,

Charge Conference activities are well on their way. Should you have any questions, please give us call at the District Office at 419-523-9901 or 1-800-589-7828.

Thank you all for your support!
I am Pastor Mark Hollinger who is serving at Cridersville UMC and as the coordinator for Addiction Recovery Ministries in the Northwest Plains District. If your church or community group would like for me to present the current status and background of the opioid epidemic and the ways in which you or your church or group can become engaged in recovery efforts then I invite you to contact me. I have a 20 to 30 minute presentation and have all the presentation equipment needed to travel to any church or group event. Many communities already have multilayered recovery services available and we have wonderful opportunities to reach out as supportive and healing partners. The first element needed in addressing our ability to become Christ's hands and feet to those who are hurting from the oppression of addiction is education. Ohio is among the top five states with highest rates of opioid-related overdose deaths, killing significantly more people in Ohio than auto accident fatalities. I am a recovering addict and have real-life knowledge of the personal challenges of recovery. You can contact me at 419 231-0428 or via email rev.mark.hollinger@gmail.com.

Yours in Christ,

Pastor Mark

Hi team,

Wow, what an amazing response last month! Thank you for making Festival of Sharing 2019 such a success! These gifts are a huge blessing to families when they need them the most, including those who are struggling after disasters strike.

You may know that families in both the Bahamas and the U.S. recently received over $300,000 of CWS’ supplies/support to help them recover from Hurricane Dorian and Tropical Storm Imelda. That wouldn’t have been possible without the hard work of kit depots and congregations leading up to each disaster.

I’m praying that the kits we collected in September won’t have to be used for emergency response - that a special hand of safety is over each precious person this year. But I’m so thankful that, if something does hit, we’re prepared to help our neighbors near and far.

In the meantime, keep your eye on the Festival of Sharing Facebook page for reports, updates and information about next year! And please let me know if there are any stories or feedback you want to share from this year’s event!

Really blessed to be serving alongside you in so many ways,

Matthew Stevens

Dear Ministry Leader,

One in five adults in the United States experience a mental illness. One-half of all chronic mental illnesses begin by age 14 and three-quarters by age 24 (National Alliance on Mental Illness, Sept. 2019).

It can be a challenge for Christian leaders, pastors, and ministry volunteers to address the concerns of individuals and families struggling with mental illnesses, along with the unique concerns associated with their disorders.

In response to this growing need, our Master of Arts in Clinical Counseling program is hosting a half-day conference titled "Mental Health & the Church" on Saturday November 9th from 8:30 am to 12:30 pm.

The conference is designed to initiate conversations among pastors, lay-leaders, and volunteers. Presenters will focus on equipping ministry leaders with an awareness and understanding of mental health issues and the steps to address them.

Our keynote speaker is Dr. Stephen Grcevich, a child and adolescent psychiatrist and the author of Mental Health and the Church. The breakout sessions are specifically geared to ministry leaders who work with children, youth and adults. They are:

1. Effectively Helping Those Who are Grieving: A helper’s guide to caring for those suffering from suicide and other losses

2. Effectively Ministering to Children (and their families!) with Autism, Anger, Anxiety, and ADHD

3. Confronting the Stigma: Dismantling the shame surrounding mental illness in the Church

4. Awareness into Action: Supporting those with addictions

For further information and to register, head to winebrenner.edu/mental-health.

We would be grateful if you would forward this information about this conference to the leaders and volunteers in your ministry. You can also disperse info about the event via your Facebook page from facebook.com/WinebrennerSeminary/. Please call the Seminary at 419-434-4200 with any questions.

Sincerely,

Dr. Mary Liames, Assistant Professor

Greetings Lay Servants,

Fall is upon us which tells us it is time to be sure that all of our paperwork is in place for the Lay Servant Ministries in which we have been called. Our prayer is that you are experiencing spiritual growth and fruit in your ministry and we will look forward to reading your reports.

Remember we all must complete an annual report. The annual report must be done online and you can find the form on the district website or on the conference website. Please be sure to print a copy for yourself. Be sure you print a copy for your file. On the district website you will also find the one-on-one report that is to be completed by you and your pastor, filed with the district office and you will want to keep a copy for your personal file.

We want to remind you that classes are being offered in October. Introduction to Lay Servant Ministries (Basic), Go Preach (Core), Ministry in Small Churches (Adv), and Creating Sacred Spaces (Adv.) classes are being offered with a deadline for registration as October 12. Those classes are listed on the Northwest Plains web page. Registering for the classes in a timely manner is critical as the number registered at that point determines whether the class can be offered. We don’t want to cancel any class, but must be respectful of our presenters and good stewards of our resources. We are all aware of the chaos in the United Methodist Church; however, these classes provide skills that we can all use regardless of the decisions made by General Conference 2020. Certified Lay Servants who have not taken an advance course since 2016 must take a course this year.

If you have any questions, you may contact any member of your Lay Servant Ministry Team.

May God continue to guide and bless you as you do Kingdom work.

Can I ask you a question? It’s the same one you probably get multiple times a day, answer with the usual generic response, and move on. Well here goes…

How are you?

Don’t answer just yet. Reflect for a moment.

How are you?

Here, at the WOC, we want you to be able to respond with an enthusiastic, and grammatically correct, “I am well.” I am physically, emotionally, spiritually and financially well. But if you’re like most folks, there might be one or two wellness “pillars” that could use a little attention. For example, maybe your spiritual life is looking strong, but your finances…not so much. Or it could be you are so well emotionally that you sleep like a baby without a care in the world, straight through your alarm clock and consistently through your morning workout. You’re doing a good job; you just need a little help to you get to the next level. If this is you, then you are invited to “Mapping Your Journey to Wellness”, a one-day wellness seminar designed to inform and inspire!

What can I expect at the seminar? You can expect to be challenged to go further and dig deeper into becoming all God wants you to be from our keynote speaker. You can expect tangible, practical information from each of our four wellness pillar breakout sessions. Informative topics include: Understanding and Implementing Resilience Strategies, Getting Started with Exercise and Eating Strategies for Success, Creating Effective Behavior Change, and more. You can also expect free flu vaccinations*, a tasty lunch, CEU credit for clergy, and a good time with friends. Additionally, we will host our active plan health insurance meeting at the end of the seminar day.

The cost for the seminar is $10 per person and spouses are encouraged to attend. Make it a date! Registration is now open, and you must register as seating is limited.

Wednesday, November 6th at Kettering Christ UMC (3440 Shroyer Rd., Kettering)
Thursday, November 14th at Reynoldsburg UMC (1636 Graham Rd., Reynoldsburg)
Wednesday, November 20th at St. Andrews UMC (120 W. Sandusky St., Findlay)

The event will begin with a gathering at 9:00 a.m. and will end by 3:00 p.m., or 4:15 p.m. if you are staying for the health insurance meeting.

Laity Discernment Retreats

Do you feel God's call on your life but are uncertain how to discern that call or what to do next? If so, then this is the Retreat for you! At the Laity Discernment Retreats, we will talk about call, discernment and what it means to be "called by our baptism". We will learn ways to intentionally enter into a time of prayer about discernment and we will discover Spiritual Rhythms that can help guide our journey. We will also discuss the variety of ways Laity can serve both in our churches and in our communities.

Each retreat kicks off with an 8-hour Saturday session followed by a 3-hour session approximately six weeks later. In between the two sessions, there will opportunities to read, reflect, and practice Spiritual Rhythms that will lead you to a better understanding of your own call.

Note: You are welcome to attend any session in any location and you do not need to attend both sessions in the same region. However, you need to attend the all-day Saturday retreat prior to attending the 3-hour follow up session.

The events are online and ready for registration. You can find them here: [https://www.westohioumc.org/conference/laity-discernment-retreats](https://www.westohioumc.org/conference/laity-discernment-retreats) You can also navigate to Ministries/Discipleship/Laity Discernment Retreats.

Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship. UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries.

Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19)

There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
