Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil’s schemes. Ephesians 6:10–11, NIV

Lord God, we thank you that it is your will to strengthen us through your presence, through Jesus Christ, the leader of your cause, who is and remains victor among all on earth. Our souls need strength and our hearts need confidence so that in our time we can draw near to you and to your kingdom. Bless us with the Holy Spirit whenever we begin to grow weary. Your Holy Spirit can give us the strength to believe and hope, the strength to see the salvation that is coming to give joy to all the world. Amen.

Small Steps
Gary Ginter, Pastor
Kingsley UMC and Ohio City UMC

On June 30th of this year, I began serving two churches instead of one. I had been a single church pastor for almost 19 years, and must admit that I was venturing into uncharted territory for me. And so, with a little bit of apprehension, but with many years’ experience behind me, I began to meet and work with my new congregation, while at the same time, not lose track of my current congregation of over four years.

What has been a surprise to me has been the willingness of both congregations to work with me and walk beside me. For example, I really enjoy leading my Bible study group at the first church. So when I offered to start a new group with the new church, imagine my surprise when they, as a church, decided to come join the Bible study group at the first church. Comments I heard were that this would give them an opportunity to meet and know the other congregation.

I have shared this desire with the first church, and now they too are looking for opportunities to bring the two churches together. Now we are planning a joint Fall picnic, a joint Christmas service, and a joint Easter service. But one step at a time. I believe through these small first encounters, together these two churches may chart a new way of cooperation and joint effort. Small steps. It is a start, and an exciting beginning. I am excited and looking forward to walking with these congregations to see where they will lead me!

Campaign Vision and Purpose

Our purpose is to multiply the number of vibrant, robust, effective congregations and in turn multiply the number of people who are choosing to live in the hope of Jesus Christ, being shaped from the inside out by the justice, love and peace that Jesus brings to us all.

IF we sincerely believe that God is calling us to offer Christ in a Wesleyan way, passionately and respectfully, that is relevant to our cultural context and inspires hope and new life…

AND we are sincere in asking God to send one more person, family, or child for us to love and disciple…

THEN we are called to come together to plant new churches and nurture congregational vitality in order to reach new people of all ages and life circumstances and connect them with Jesus Christ.

(Update) BY GEORGE! Campaign (Update)

Earlier this spring, we invited the congregations of the Northwest Plains District to be a part of a special effort to help Grace Children’s Hospital in Haiti. This hospital that has served countless numbers of children and their families over the years has been devastated by the earthquakes and hurricanes and is in desperate need of help. Now that we are several months into this, we want to share an update of where we are. To date, we have received just over $30,000 to go to the hospital! We are so thankful for your generosity and faithfulness!

If every one of our congregations would challenge their members to give just $1 per week per member, we could rally to give not only a dramatic amount of financial help, but also hope that they are not alone. The money will be collected at the District Office and sent on to Haiti. In a time where we see so much brokenness and disunity, this is one way we can truly show how we can do more together than we can apart. Watch for more information to come!

CHARGE CONFERENCE TIME

Pastors,

Charge Conference activities are well on their way. Should you have any questions, please give us call at the District Office at 419-523-9901 or 1-800-589-7828.

Thank you all for your support!
I am Pastor Mark Hollinger who is serving at Cridersville UMC and as the coordinator for Addiction Recovery Ministries in the Northwest Plains District. If your church or community group would like for me to present the current status and background of the opioid epidemic and the ways in which you or your church or group can become engaged in recovery efforts then I invite you to contact me. I have a 20 to 30 minute presentation and have all the presentation equipment needed to travel to any church or group event. Many communities already have multilayered recovery services available and we have wonderful opportunities to reach out as supportive and healing partners. The first element needed in addressing our ability to become Christ's hands and feet to those who are hurting from the oppression of addiction is education. Ohio is among the top five states with highest rates of opioid-related overdose deaths, killing significantly more people in Ohio than auto accident fatalities. I am a recovering addict and have real-life knowledge of the personal challenges of recovery. You can contact me at 419 231-0428 or via email rev.mark.hollinger@gmail.com.

Yours in Christ,
Pastor Mark

How Can I Become a Lay Minister

Check out the video on our Facebook page or YouTube Channel "Northwest Plains UMC".

Greetings Lay Servants,

Fall is upon us which tells us it is time to be sure that all of our paperwork is in place for the Lay Servant Ministries in which we have been called. Our prayer is that you are experiencing spiritual growth and fruit in your ministry and we will look forward to reading your reports.

Remember we all must complete an annual report. The annual report must be done on line and you can find the form on the district website or on the conference web site. Please be sure to print a copy for yourself. Be sure you print a copy for your file. On the district web site you will also find the one-on-one report that is to be completed by you and your pastor, filed with the district office and you will want to keep a copy for your personal file.

We want to remind you that classes are being offered in October. Introduction to Lay Servant Ministries (Basic), Go Preach (Core), Ministry in Small Churches (Adv), and Creating Sacred Spaces (Adv.) classes are being offered with a deadline for registration as October 12. Those classes are listed on the Northwest Plains web page. Registering for the classes in a timely manner is critical as the number registered at that point determines whether the class can be offered. We don’t want to cancel any class, but must be respectful of our presenters and good stewards of our resources. We are all aware of the chaos in the United Methodist Church; however, these classes provide skills that we can all use regardless of the decisions made by General Conference 2020. Certified Lay Servants who have not taken an advance course since 2016 must take a course this year.

If you have any questions, you may contact any member of your Lay Servant Ministry Team.

May God continue to guide and bless you as you do Kingdom work.

Laity Discernment Retreats

Do you feel God's call on your life but are uncertain how to discern that call or what to do next? If so, then this is the Retreat for you! At the Laity Discernment Retreats, we will talk about call, discernment and what it means to be "called by our baptism". We will learn ways to intentionally enter into a time of prayer about discernment and we will discover Spiritual Rhythms that can help guide our journey. We will also discuss the variety of ways Laity can serve both in our churches and in our communities.

Each retreat kicks off with an 8-hour Saturday session followed by a 3-hour session approximately six weeks later. In between the two sessions, there will opportunities to read, reflect, and practice Spiritual Rhythms that will lead you to a better understanding of your own call.

Note: You are welcome to attend any session in any location and you do not need to attend both sessions in the same region. However, you need to attend the all-day Saturday retreat prior to attending the 3-hour follow up session.

The events are online and ready for registration. You can find them here: https://www.westohioumc.org/conference/laity-discernment-retreats You can also navigate to Ministries/Discipleship/Laity Discernment Retreats.

Free Active Shooter Prevention Guide

Recently, attention has been drawn to the unthinkable action of active shooters in a house of worship.

UMI is offering this resource to you as a way to prepare you, your church leadership, the congregation and visitors in the event this should occur. Being prepared helps everyone cope with these realities and begin to re-focus attention on core ministries.

Conducting the ministries of The United Methodist Church takes on many forms. Our first call to ministry is to make disciples of Jesus Christ for the transformation of the world. This crucial part of our ministry as a denomination begins in the local church. Everything else we do on a daily basis supports this core commission. (Matthew 28:19)

There are many supportive actions taking place every day to support the local church. One of them is to insure the church properties so that a church can continue its core ministries in the community.
